

7000 MAGNETIC INDOOR CYCLE

BRI-IC7000-V

The IC7000 indoor cycle combines styling and comfort with innovative magnetic resistance technology to deliver unparalleled performance for riders of all shapes, sizes and abilities.

technical specs

Product Weight: 125 lbs.

Width: 24"

Length: 43"

Height: 47"

Lock System: "D" shape tube lock for post & stem tube, easy hi-efficiency tube's locking & opening

Handlebar Stem: Alloy "D" shape tube with alloy slider, stem & slider both with scale

Handlebar: Hi-ten steel welded racing drop bar & screwed together with alloy top slider

Ball Bearing Parts: Chromoly ultra strong axle 20mm diameter match with SKF 6004 bearings

Cranks: S 38C hi-carbon steel cold forged in a 4 spider, heat treated to fit on 9/16" pedals

Right Cover: Plastic with pop cover

Belt: Hutchinson / France 5PK

Pedal: 9/16" SPD E003 sealed bearing pedals with toe clips & straps, chromoly axle

Resistance: Dual function magnetic device for resistant force adjustment

Fly Wheel: 31 lbs. cast iron with alloy ring fix wheel design, chromoly ultra strong axle

Saddle: VL-3125A saddle special design for spinning

Seat Post: Alloy "D" shape tube with alloy slider, post & top bottom slider both with scale

User Weight Capacity: 300 lbs.

Warranty: 10 years frame, 3 years parts, 1 year wearable items, 90 days on display, saddle, saddle brackets, pedal clips & straps. *Warranty extends to 5 years on parts if used in a light commercial setting, subject to approval

- ▶ Dual magnetic resistance and belt-driven technology delivers optimal performance and reliability for full commercial applications
- ▼ Comfortable saddle can be easily adjusted up/down and forward/back for riders of all sizes

- ▶ Adjustable race-inspired handlebars with multi-position hand grips
- ▼ Dual-sided SPD pedals allow riders to wear the either cycling or athletic shoes

- ▶ Perimeter weighted flywheel with sweat guards and ultra-strong axle provide long-lasting durability
- ▶ Service ports for easy quick access to drive system
- ▶ Smooth Motion Technology™ delivers a quiet, comfortable and natural ride
- ▶ Steel adjustment levers safely lock saddle and handlebars in place
- ▶ Zinc-dipped anti-corrosion coating and stainless steel bolts provide superior rust protection
- ▼ **OPTIONAL:** LCD monitor tracks time, speed, distance, calories and RPMs
