

FS-52 INNER/OUTER THIGH

Modern styling and space efficient designs make the value engineered Fitness Line the perfect choice for hotels and resorts, corporate fitness centers, police and fire agencies, apartment and condominium complexes, personal training studios or any facility where space and budget are limited.

FEATURES

- Swiveling thigh pads are easily accessible from the seated-position and accommodate both Inner and Outer Thigh exercises
- Contoured back pad, ergonomically-positioned handles, and rubber coated foot placement posts provide support and encourage proper alignment during exercise
