Finish Selection

Made using recycled plastic

Constructed of genuine POLYWOOD® lumber, a proprietary material which includes landfill-bound and ocean-bound plastics

VINTAGE FINISH

CLASSIC FINISH

Vintage vs. Classic Finish

Just like our original Classic Finish POLYWOOD® lumber, Vintage Finish is made from recycled milk jugs and can withstand rain, sun, snow, sleet, and salt spray. The only difference? Aesthetic texture. No matter the finish, genuine POLYWOOD® lumber is durable, all-weather, and low-maintenance.
